Dear grandpa,

With the virus spread the best time most likely to come visit would definitely be either hopefully during the Christmas holidays between the 11th of December to the 27th of January or during the Easter holidays from the 1st of April to the 19 of April.

It means a lot to hear about grandma as she meant the most to me, she will Always be in my heart as the most inspiring woman I know, I truly believe I wouldn't be as driven as I am without having such amazing and supportive grandparents in my life.

It saddens me that I did not get to say goodbye to her but I know she will always be looking out for all of us.

It would genuinely be so heart warming to have a piece of grandma betsy with me so Thankyou both.

I remember when I was younger you and grandma gifted me this beautiful ballet book that I love so dearly, it truly heightened my love for dance.

Thankyou for getting back to me,

Love from Portia

Thanks for your note.

Yes, I am going to get a trip arranged. When is the best time for you all?

Also, I want you to know that your grandma loved you very much and followed your activities and accomplishments closely..

She also loved a gift I bought her not too long ago, a small silver and gold elephant from Tiffany's on a chain. She wore it constantly.

We (grandma and I) want you to have it and I will be getting it over there as soon as I can..

Grandma had other very nice jewelry and I will be getting that over to you and your mother and sisters too.

Sorry, no jewelry for Noah but I have some stuff for him when I pass.

Love from me (and Grandma from the heavens).
