Oh John,

We are so so sorry to get this sad news! She truly was such a kind, warm-hearted and generous person. We remember her to be always in a good mood. it was always such a pleasure to be around her and I remember fondly how you took me under your sailing ging's and how she invited me -and later us as a Family - over for meals and fun times.

62 years! That is amazing! And yes , we remember you telling us about some of your adventures and all these wonderful trips you took together.

We know how hard this must be for you and your family and we keep you in our thoughts.

Hello

I am so sad to tell you the love of my life and best friend passed away Saturday from heart failure.

We were married 62 years and she died within just three days of her 85th birthday.

I'm sure you remember her as a giving, kind person so I wanted to tell you this bad news.

Life can be unfair but we did have lots of real adventures and fun times.

Hope you all are doing well.
