John I hope you will have some solace knowing how much Betsy loved you as well. I hope I can have half as much happiness in my marriage to John as you did with Betsy. Look to your family for comfort. They are there for you. We all love you very much and I will miss Betsy terribly.

Hello

So sorry to tell you all Betsy passed at 9:20 this morning at the Sibley Hospital emergency room.

I cannot believe that I lost my love and my best friend.
